ABBREVIATIONS & ACRONYMS

FAST Act - Fixing America's Surface Transportation Act (Federal Transportation Funding Bill of 2015)

FFY – Federal Fiscal Year (October 1st to September 30th)

FHWA – Federal Highway Administration

FTA - Federal Transit Administration

IIJA - Infrastructure Investment and Jobs Act (Federal Transportation Funding Bill of 2021)

L RTP - Long Range Transportation Plan

MAP-21 - Moving Ahead for Progress in the 21st Century (Federal Transportation Funding Bill of 2012)

MBTA – Massachusetts Bay Transportation Authority

MPO – Metropolitan Planning Organization

RIDOT - Rhode Island Department of Transportation

RIPTA - Rhode Island Public Transit Authority

RIDSP- Rhode Island Division of Statewide Planning

SPC - State Planning Council

SPR - State Planning and Research

STIP - State Transportation Improvement Program

TIP – Transportation Improvement Program

BACKGROUND

Purpose of this Report

The purpose of this report is to document the transportation projects in Rhode Island that have been obligated with federal funds in Federal Fiscal Year (FFY) 2025. The list is intended to be comprehensive and in accordance with federal statute.

Federal Requirements

The federal metropolitan transportation planning statute 23 CFR 450.334 states that the State, public transportation operator(s), and the Metropolitan Planning Organization (MPO) shall cooperatively develop a listing of projects for which funds under 23 U.S.C or 49 U.S.C Chapter 53 were obligated in the preceding program year. This list of obligated funds for projects must be developed on an annual basis and no later than 90 calendar days after the federal fiscal year end on September 30th.

The Federal Highway Administration (FHWA) defines obligation as the federal government's legal commitment (promise) to pay or reimburse the State, or other entities, for the federal share of a project's eligible costs. Thus, an obligated project is one that has been approved by the federal government for reimbursement, though not necessarily reimbursed yet. For FHWA projects, an obligation takes place when a project agreement is executed and the State/grantee requests that the funds be obligated. The obligated project costs reflected in the Obligation Report often do not equal final project costs, rather it is the amount of federal (not including state or other private/local) funds that were obligated during this past federal fiscal year (October 1, 2024 - September 30, 2025).

This obligation report differs from the State Transportation Improvement Program (STIP) in that funds in the STIP are a project's anticipated federal expenditure rather than what has been obligated. The Obligation Report provides the follow up layer of transparency to the STIP in the use of federal transportation funds in the State of Rhode Island.

In Rhode Island, the Division of Statewide Planning, as the MPO, is responsible for preparing the list of federally obligated funds. The Obligation Report documents federal funds obligated by the Rhode Island Department of Transportation (RIDOT) and the Rhode Island Public Transit Authority (RIPTA). A number of projects listed in the Obligation Report reference multi-year projects that originate from prior year STIPs. Funds obligated from these prior year STIPs are for projects that still have open contracts that have not been closed out. Projects that have negative obligation balances (red text) indicate that funding has been deobligated. This could be the result of projects being completed (or closed out) and less federal funding utilized than was anticipated in the STIP. In most cases, the balance of these funds have already been applied to other projects in Rhode Island.

MPO Overview

The State Planning Council is designated as the MPO for the State of Rhode Island by section 42-11-10 of the General Laws of Rhode Island entitled, "Statewide Planning Program." The MPO includes membership from state agencies, local government, the transit operator, and the general public. The MPO is staffed by the Division of Statewide Planning, a unit of state government within the Department of Administration. Rule Five of the State Planning Council's Rules and Standards specifically addresses the MPO and Transportation Planning.

Overview of the State Transportation Improvement Program (STIP)

The State Transportation Improvement Program (STIP) is a list of transportation projects the State of Rhode Island intends to implement using United States Department of Transportation funds. For a transportation project to utilize federal funds it must be included in the STIP.

A project's inclusion in the STIP is a critical step, but it does not represent an allocation or obligation of funds. Projects supported with federal dollars are only guaranteed funding after the Rhode Island Department of Transportation (RIDOT) or the Rhode Island Public Transit Authority (RIPTA) or the U.S. Department of Transportation (USDOT) reviews the design, financing, and environmental impacts of a project. Project sponsors must work cooperatively with RIDOT, RIPTA, or the federal agencies to guarantee the federal funding identified in the STIP.

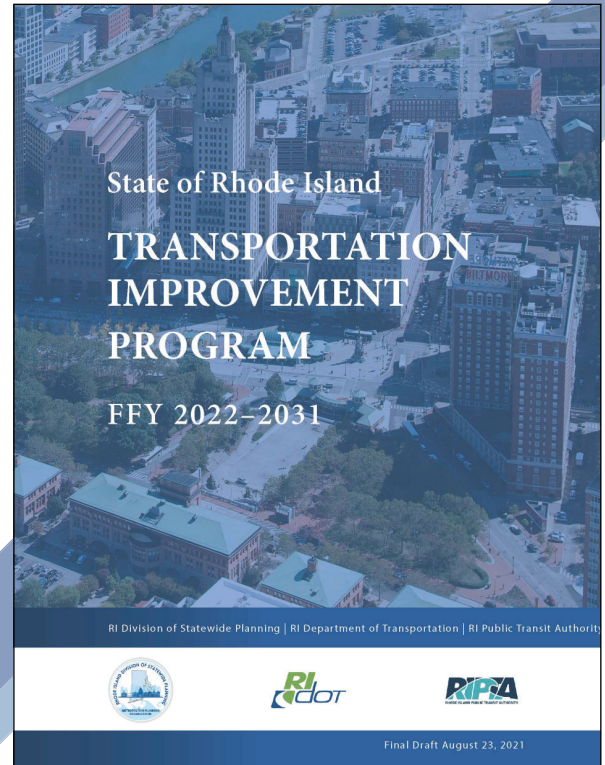

Figure 2: Rhode Island FFY 2022 - 2031 STIP Cover

SUMMARY OF FFY 2025 OBLIGATED PROJECTS

In FFY 2025, a total of \$909,461,436.92 was obligated to 255 transportation projects in the State of Rhode Island through the Rhode Island Department of Transportation and Rhode Island Public Transit Authority.

A total of \$841,827,108.92 was obligated to 232 RIDOT projects and \$67,634,328.00 was obligated to 23 RIPTA projects. In FFY 2025, \$30,012,511.62 was de-obligated from 57 RIDOT projects. There were a total of 49 new projects, 140 project changes, 1 project re-open, 2 projects withdrawn, and 63 projects closed out.

Overall, the project type with the most obligated funds was Roadway/Bridge, making up \$741,195,936.99 or 81.5% of all obligated projects, followed by Transit Bus projects, totaling \$62,634,328.00 or 6.9%.

Table I: FFY 2025 Federally Obligated Funds - Project Type Summary

Project Type	Obligated Federal Funding Total	Percent
Roadway / Bridge	\$741,195,936.99	81.5%
Transit Bus (RIPTA)	\$62,634,328.00	6.9%
Studies / Engineering	\$46,000,352.92	5.1%
Bicycle / Pedestrian / Enhancement	\$22,764,011.46	2.5%
Congestion / Operations	\$19,898,663.53	2.2%
Safety	\$10,752,171.55	1.2%
Administration	\$5,756,690.74	0.6%
Transit Rail	\$459,281.73	0.1%
Total	\$909,461,436.92	100.00%

How to Read the Obligation Report Table

Title of the Project as identified by the Rhode Island Department of Transportation of Rhode Island Public Transit Authority

The unique identifier given to the project in the STIP or its page number reference for projects that do not have ID numbers

Federal funds remaining for subsequent years.

The STIP expenditure program, as listed in Table 3

Federal funds obligated during FFY 2025 (October 1, 2024 - September 30, 2025)

Agency	Project Title	STIP	STIP ID	Project Type	STIP Funding Program	Action	Federal Funds Change	Federal Funds Requested	Previous Year Obligation (2021)	Federal Funding Remaining
RIDOT	Design-Build Services for the Replacement of the Louisquisset Pike Bridge No. 276, Lincoln	2018-2027	6230	Roadway/Bridge	Bridge	Project Change	\$2,173,386.32	\$10,870,000.00	\$5,900,000.00	\$667,409.68

The agency managing the project (RIDOT or RIPTA)

The year of the STIP in which the project was originally programmed

Denotes whether the funds were used for a new project, project change or change order, or project closeout.

Federal funds obligated during FFY 2024 (October 1, 2023 - September 30, 2024)

How the project is characterized for planning purposes. The projects are broken down as follows:

- Roadway/Bridge: Pavement, Bridge, Drainage, ROW
- Transit Bus: Rolling stock maintenance and replacement, RIPTA operations, service and support
- Transit Rail: Transit Rail (MBTA and/or Amtrak)
- Bicycle / Pedestrian: Bicycle and pedestrian projects, Safe Routes to School, Pier Improvements
- Safety: Safety projects, Signage, Striping, Lighting, Railroad Crossings, Fence, State Traffic Commission
- Studies/Engineering: Engineering projects, On call engineering services, Inspection services, SHRP2 Grants, PILOT Projects, Flood Emergency planning
- Congestion / Operations: Park n Ride lot management, Message Boards, Traffic Management Center (TMC), Congestion Mitigation Operations

The total amount of Federal funds requested in the STIP

A decorative graphic consisting of two parallel diagonal bars in shades of blue, extending from the top-left corner towards the bottom-right corner of the page.

The page features two thick, parallel diagonal stripes that run from the top-left corner to the bottom-right corner. The stripes are a muted blue color, with the top stripe being a slightly darker shade than the bottom one. They are positioned on the left side of the page, leaving the right side mostly blank.

THIS PAGE LEFT INTENTIONALLY BLANK
