

## **Division of Statewide Planning Mission Statement**

The Division of Statewide Planning promotes and encourages best practices for the balanced growth and development of the State of Rhode Island. We do so by:

- Connecting agencies, communities, and organizations;
- Guiding land use and transportation choices; and
- Promoting continuous, cooperative, and comprehensive application of planning principles, along with data-driven analysis, to create and implement State, regional, and local plans.

Our goal is to ensure equitable, sustainable, and resilient development that meets the needs of the present without compromising the needs of the future.
