INTEROFFICE MEMORANDUM

TO: Thomas J. Queenan, Acting Administrator, RIDOT Division of Planning
FROM: Linsey J. Callaghan, Assistant Chief, RIDOA, Division of Statewide Planning
SUBJECT: Approval of FFY 2018-2027 STIP – No Action Adjustment – Revision #14
DATE: April 2, 2019

The Rhode Island Department of Administration, Division of Statewide Planning has received the Rhode Island Department of Transportation's (RIDOT) request of March 27, 2019 – Request for No Action Adjustment to the FFY2018-2027 State Transportation Improvement Program (STIP).

Changes in the constrained period (FFY2018-FFY2021) are proposed in RIDOT's Bridge Capital Program. Specifically, a new Bridge Group 44A will be created and \$4.0M in funding will be shifted from Immediate Action into this new bridge group.

The net result of the actions described herein is a \$0M net change over the constrained period and a net change of \$0M over 10 years.

I have reviewed RIDOT's request against the 2003 Memorandum of Understanding (MOU) regarding procedures to amend and modify the STIP. I find that this request constitutes a No Action Adjustment under the MOU and is hereby approved.

The documentation submitted indicates that fiscal constraint of the STIP will be maintained. For record keeping purposes, please note that this No Action Adjustment shall be referred to as approved Revision #14 to the FFY2018-2027 STIP. Revised STIP tables incorporating the modifications are enclosed.

Interoffice Memorandum

TO: Meredith E. Brady
Associate Director, DOA Division of Planning

FROM: Thomas J. Queenan 
Acting Administrator, RIDOT Division of Planning

DATE: March 27, 2019

SUBJECT: Request for No Action Adjustment to the FFY2018-2027 STIP

The purpose of this memorandum is to summarize the proposed No Action Adjustment to the FFY2018 – FFY2027 TIP. The net result of the action described herein is a net change of \$0 over the constrained period (FFY2018 – FFY2021) and \$0 over 10 years.

This proposed change to the TIP is comprised of one unique actions in the Bridge Capital Program, which moves bridge #015301 from the Immediate Action line item to its own Bridge Group 44A.

This action reduces the constrained period budget of the Immediate Action line item by 9.6 percent, well within the 20 percent project cost change threshold established by the Memorandum of Understanding outlining Procedures to Amend and Modify the Transportation Improvement Program. All of the \$4.0M moving from the Immediate Action line item will move directly to Bridge Group 44A along with Bridge #015301.

This bridge will be fully supported by funds currently located in the Immediate Action line item, so the \$4M required to complete the project will simply move along with the bridge from Immediate Action to Bridge Group 44A.
